A system wide grievance is defined as:

1. A grievance within a shelter that has gone through the agency's official grievance policy and has not been resolved according to the shelter guest or agency.
2. A grievance that does not involve one specific shelter, but the system as a whole.
3. A grievance that involved multiple interacting parts of the homeless response system.

Part 1: Your information

Name:

Date:

Phone:

Email:

Best way to contact you:

Phone

Email

Other (Please specify):

Have you brought this grievance to the attention of the place you have the grievance (e.g., shelter, Adult Shelter Connect, Hennepin Shelter Hotline)?

Yes

No

If yes, what was their response?
