SIMPSON HOUSING SERVICES

Our mission is to house, support, and empower people impacted by homelessness.

SIMPSON HOUSING SERVICES

SIMPSON HOUSING SERVICES

We began as an emergency overnight shelter in the basement of Simpson United Methodist Church in 1982. For four decades, we have been a leading nonprofit helping people experiencing homelessness. In response to unmet community needs, our key programs have grown to include the following: an extended-stay shelter; supportive housing programs for youth, single adults, and families; and developmental and educational services for children.

We annually support 2,000 people experiencing and transitioning out of homelessness, including 300 families with 650 children.

We do this work because we believe that everybody has the right to safe and affordable housing.

MISSION

To **house**, **support**, and **empower** people impacted by homelessness.

ART 4 SHELTER

ART 4 SHELTER

Art 4 Shelter (A4S) is an annual fundraiser for Simpson Housing Services. Generous artists donate original works of art to this massive art sale and auction. The pieces are displayed anonymously and offered for a fixed, affordable price. Proceeds benefit Simpson's mission to house, support, and empower people impacted by homelessness.

Dive into a world of creativity and advocacy. Browse hundreds of original artworks, starting at $35 for a 5"x7" image (originally the cost of a single night at the Simpson shelter). Peruse the online auction, with larger artworks, jewelry, pottery, art experiences, and more. Best of all, admission is free. By donating or purchasing art, you can partner with Simpson as we work to end homelessness.

Since the inception of Art 4 Shelter in 2011, artists like you have raised over $1.8 million, providing thousands of nights of shelter and housing for people impacted by homelessness. We're excited to keep the momentum going and celebrate 17 years of doing this vital work together. **It's all happening on Friday, May 7, 2027, at Quincy Hall in Northeast Minneapolis.**
